The Mysore Dasara Industrial and Agricultural Exhibition.

Office of the President,

D.O. No. 682.

Dated ~~Bangalore,~~ *Mysore,* 17th 24th June 1911.

My dear Mr. Govinda Rau,

I beg to state that the display of Industrial and Agricultural machines has been very poor for the past four years for the reason that the Railway freight thereon together with their demonstration charges would be enormously high. Besides, the exhibitors of such machines will have to provide for the wear and tear of the Machines and Implements during transit to and fro Mysore. Hence for the past four years only the Departmental -- machines were on show. In order to bring in more interesting and useful exhibits a provision of Rs. 1500/- was made in the Budget against " Freight on Implements " in the year 1909 and 1910, but it was cut down to to Rs. 500/-. This year Messrs. Samuel and Co., of Madras promise to bring the marginally noted machines provided the

1. Agricultural machinery
2. Pumps and Pumping machinery
3. Rice milling machinery
4. Dairy machinery
5. Sugar machinery
6. Flour milling machinery
7. Wood working machinery
8. Wood and fibre machinery
9. Tobacco and Cigarette machinery
10. Chemists machinery
11. Labour saving machines tools for metals and wood
12. Hand power ice making machines
13. Laundry machinery
& 14. Modern Oil Engines of sizes.
